

**THE RÉSEAU BIBLIO OFFERS
A WHOLE NEW ONLINE CATALOG « ENTERPRISE »
FOCUSED ON THE USER**

Gatineau, November 2, 2020. – Réseau BIBLIO de l'Outaouais presents a brand new online catalog for its users, via its website at https://bcpo.ent.sirsiidynix.net/client/en_US/Outaouais/.

As of today, members of Réseau BIBLIO de l'Outaouais have had the leisure to consult thousands of titles among the collections offered by Réseau BIBLIO in its brand new catalog of cultural goods "Enterprise". Offering multiple facets to refine your personal search, it is now easier to find the books you want, simply by checking the options available: whether you are looking for library, author, subject, publication date, etc.

User-oriented, catalog browsing is fun and provides a number of options that web users are fond of, including sending titles by text.

The user is invited to enter his file with his user number (subscriber card) and with his BIBLIO PIN in order to expand the catalog options. Thus, he will be able to consult the available titles, make an interlibrary loan request, reserve and renew documents, consult his loan history and create reading lists for himself and his family.

Good navigation !
